The Ulrite STUFF!

PROUD IN PRAGUE

I want to say hello to all my American fans, and the ones all over the world too. I'm happy to have this chance to talk to you about myself and my sex. Your reading this because that's what you want to hear about, not my hobby of collecting cukoo clocks from Bavaria. But let me tell you, that's a lot of fun, I have 23 of them.

I'm writing to day because I get a lot of questions from my fans about how I do anal sex. It is now easy for me but not always that way. First, I have always been an adventurous woman when it came to sex and almost anything else, but anal sex scared me and seemed somewhat forbidden. I knew a few

people who had done it before, but for some reason I remained an anal virgin until I met the right person to trust, then I knew I had to try it.

My third Czech boyfriend and I were out one evening having a few drinks and he told me he had a surprise for me. He took me by the hand and walked me to this beautiful old building overlooking the Vltava River. We climbed in through an open window

and climbed up to the roof. The view was beautiful as we stood leaning against the rail. His hands reached around me from behind and started to massage my boobs so I started grinding my ass against him and he began to moan. (Actually, it was more of a growl.) It was at this point that he whispered in my ear, "Do you want to experience the thrill of something totally new?"

He leaned me forward over the rail. All I could see were the city lights below us as he raised the skirt of my dress and ripped off my panties. He was so hungry for this. He had waited so long. I felt his fingers go deep into my wet pussy and then he took his fingers out and started to massage my asshole. It was so hot! I tensed at first because I was scared, but then I felt his fingers slide right in. "Oh God!" I screamed. It was the most intense feeling ever. He pulled the fingers out and I felt his cock head press against me.

Now, he grabbed my hips and plunged deep

into me. I screamed like I never have before as he pumped me against the railing. His cock felt huge! There was no pain only pleasure as he fucked my ass. He pumped me so hard until I felt him start to tense and I told him I wanted him to fill my ass with his cum. Just hearing me say that made him explode deep in my ass and I came with him. It was more intense than anything I have ever experienced.

MY FIRST MILF - SO FAR

It's not often that I go out to parties, but every once in a while I do, just looking for a good time and perhaps a small adventure. I'm not much of a drinker, usually ending up the designated driver, but there have been times when I let my hair down and let loose.

Tonight was a bit of both. I can't say that I'll remember much in the morning but it's not the morning that will be the fun part.

The party was going great at my buddy Chico's place. Lots to drink, eat, and ogle. There were some really hot girls in attendance, all of whom were giving me the cold shoulder, however.

So, I went upstairs to fire one off in the can. If I couldn't actually get off on the page, either lease get off thinking about them. Only, when I reached the top of the stairs, was walking down the hallway towards John, the door suddenly popped up in Chico's mom filled it.

"Hey Sammmmy how's the parrrrty

going?" she slurred.

The busty brunette obviously had her own party going as she was slightly sloshed. She was wearing just a thin, black negligee, her voluptuous form filling out the almost see-through material. Her boobs just about spilling out of the top, bare fleshy legs pouring out from under the short hem.

"Oh, it was going good, Mrs. N. good. I was just..." I managed.

The 40-something cut me off. I watched as she rubbed her left

hand up onto her boobs, squeezing the huge masses; then smoothed her right hand down in between her legs, rubbing her pussy with a gasp. "This gets me so hot." she breathed.

I bonered out right then and there, staring at my buddy's mother who had suddenly become a milf right before my eyes. Her chestnut brown hair was sort of messed up from being in bed, and her face was lacking any flattering makeup, but the way she ardently massaged her jugs, excitedly rubbed her slit while looking me in the eyes at the same time, well my cock really needed to

respond. Especially after getting the brush and the air from virtually every slept downstairs.

"I'm so horny Sammy," Mrs. N. moaned. "Can you help a lady out, Sammy?"

She lifted her negligee and showed me the dark, moist form of her pussy. Then she pulled the garment right up over her head, showing me all the rest of her. Her breasts hung huge and heavy, blue veined moons capped by swollen pink nipples. I stared at the naked cougar. She grabbed my hand and dragged me into her lair.

We landed on the bed, me on top of my buddy's hot mother. Her arms wrapped around my body and her mouth mashed up against mine; her lips soft and wet and hungry, breath wreaking of vodka from the bottle on her night stand.

I kissed her back, grabbing onto her tangled hair. Her, tongue shot into my mouth and thrashed around. Her hands roamed down my back and onto my butt cheeks, claws sinking in. She sort of undulated beneath. I rolled my hands over her soft splayed tits, my hard on pressing into her belly through my jeans, our tongues flailing together.

"Oh damn, Sammy! Fuck me, Sammy! I need it so bad! I need a man inside me so bad!" she demanded.

I was a man. I could get inside her.

She helped me to do just that, pushing me up and yanking down my zipper, pulling my pulsating meat out of my briefs. I grunted as her warm, experienced hand found and swirled up, down and around its hardness,

making me even harder and longer.

Then she pulled my cock hard and put it into her damp pussy and I cried out. She slammed my bloated cock deep into her and took my entire shaft into her love tunnel. Milfy was just as wet and hot, and just about as tight as any woman half her age. My balls squished up against her downy fur, my dick buried in her gripping pink sleeve.

"Yes. Sammy! Fuck me Sammy!" she urged loudly, again showing me the way by pulling my butt up and down so my dick went deep back and forth inside her

I gripped her big mounds and slammed them together pumping my hips on my own, as my dick drove hard into her. We both moaned. I mouthed and mauled her nipples, swallowing up one turgid

nipple and sucking Mrs. N's other engorged spigot as I torqued up ramming speed, flat out talking the steaming milf.

The bed creaked and our breath came out in gasps. I shoved up a spit-slick boobie so Mrs. N. could suck on it herself as we bounced against each other. Her fingernails sunk an inch deep into my clenching buttocks through my jeans, and she screamed, shuttered, coming hard and wet.

Hot pussy juice squirted against my groin and all around my dick. The mature babe's super boobs shook out of control in my hands, like the rest of her outrageous body beneath me.

"Oh damn, Sammy, you're making me cum!" she squealed. "Come inside me baby! It's okay."

It was too much for me. Sweat was pouring off my face and down into her open screaming mouth, my thumping cock surging rock hard in Mrs. N.'s convulsing wet pussy, my balls shimmering with boiling jizz. I frantically thrust as fast as my hips could take me. She grabbed my head and slammed my mouth down onto hers, filled it with tongue and her ecstasy, and in another minute I exploded inside her.

Blast after blast doused her tunnel, setting her off again, sending me into orgasmic space. I came and came and came, emptying the biggest load I've ever blown, never wanting to come down.

When it was finally over, we lay in | through my hair.

each other's arms, my head cushioned against her amply full boobies.

"Maybe we can have our own private parties from now on, Sammy, just you and moi." Mrs. N. murmured. "Just you and me."

I set a fat nipple into my mouth and nursed, reaching a hand down to pet the ladies moist and aromatic pussy. "There's gonna be a party in my pants even when I see you from now on, Mrs. N." I murmured. "And you're the guest of honor."

Needless to say, there was no reason to go back downstairs. The drone of the party faded as did I and ultimately fell asleep cuddled in her bosom as she ran her fingers

There's hot, sexy, pussy all over the world. This month we bring you three fabulous MILFs who look sweet on the outside yet, horny and nasty on the inside. Sometimes they will cook, but most of the year they're ready to fuck. Their sexual appetites are envious. Even their husbands are not safe.

"I'm always hungry for big, long cock." says Hungarian beauty Vanda. Apparently her

appetite for sex is much greater than just for cock. We'd love to satisfy her, too.

The Philippines is very lucky to have a hot, sexy MILF like Lana prancing through the

countryside. We rather she grace our pages so we can share this beauty with you.

One thing that happened in Reno is right here on these pages. I had just started in the adult entertainment business as a male dancer in a Vegas-type revue in Sacramento. My girlfriend and I split up just a month before this little adventure. My two buds, Patrick and Arnie, decided we should go to Reno and find a cathouse for me to get me groove back.

I went to this cathouse outside of Reno last year. I was there a couple of old college buddies, Patrick and Arnie because I had never been to a brothel before, but they had been there a couple times. They were into the cathouse scene because you could pick who you would like to have sex with and what you could to them. Oh, and I had just been dumped by my girlfriend because I became a male exotic dancer; and I had dabbled in a couple adult films, too.

Those two guys are always a fun deal if you get the right girl. They talked me into going since I had just broken

up and thought I might get a kick out of it. They dragged me along but initially I did not want to go. They teased me, but promised that it was safe and that I would have a good time, saying that if I didn't want to join in, then I could watch, but they were going to go even if I didn't.

When we got there, we went into the parlor and moments later a parade of girls walked in and the "madame" announced what we wanted. Several girls left and from the three remaining, the guys selected a tall sandy-haired cutie wearing a black bra and panty set with black stockings. We talked

with her for a few minutes and she had a great personality. She seemed up for the escapade and we followed her to a large room with a big bed in the middle and some TV monitors around (I found out you can have a video made of your stay there).

The room smelled all girlie. She told us to go wash and we took turns in the bathroom. Patrick came out first, then Arnie, and as I came out I saw they had already worked out the financial arrangements. She said her name was Lacie and in a cute Midwestern accent and she says she likes ex-college guys. Patrick starts it up while Arnie and I

MY/FIRST/THREE(ON/ONE/EXPERIENCE

sat on a couple weird chairs along the wall and watched as she grabbed his cock and pulled him over to the bed. He sits on the bed and she pulls out a condom and pulls it over his cock. She pushes him back on the bed and starts to give him a blow job right through the condom.

She's bent over and her nice butt's up in the air bobbing up and down as her mouth goes to work on him. After a few minutes of this, Arnie gets up and grabs his cock, heads over to her night stand, grabs a condom and rolls it down his cock. He positions himself behind her and fingers her pussy. Without any hesitation, he jams it into her already wet pussy as she moans. I'm now playing with myself as Arnie pushes it into her. She hardly misses a suck on Patrick' cock as Arnie fucks her from behind...

I decide to start stroking my cock to

relieve some of the tension. There was a weird reddish glow to he room so it looked like a cheap porn film, but it was kinda exciting. Patrick sits up a little as she is still blowing him and he motions me to get a condom and lay on the bed next to him, which I do. Lacie grabs my cock and pumps it as she continues with her mouth on Patrick. Arnie's behind her pumping away and gives me the thumbs up.

Then she turns her attention to me and begins to blow me. I'm up on my elbows so I can watch. It's a really weird feeling to get a hummer through a condom, but she is a pro and I hardly can tell the difference, and when she starts nibbling on my balls, nothing else matters.

Patrick is now behind her fucking her standing doggie-style and Arnie is next to me ready for his bj. He changes condoms and grabs her hand to start

giving him a hand job. She's still sucking my cock and playing with my balls with her free hand. Damn, this girl was good. All of a sudden Patrick blurts out that he's gonna cum and does so giving her a couple really hard thrusts that she has to stop blowing me and brace herself for his climax. He finishes cumming and goes over to the chairs to rest pulling his condom off as he sits down and takes in the action.

Lacie now stands up and climbs on the bed over me, turns around and squats on my cock reverse cowgirl style. She motions to Arnie to stand up and he positions himself in front of her and puts his cock in front of her face. She reaches out to grab it and pulls it into her mouth and starts sucking him off. I grab her butt and help her with the old in-and-out. I can't see what she is doing to Arnie, but from looking at the back of her head and the expression on his face, I know she is doing it well

and he's digging it.

A few more minutes of this and I'm ready to cum. She senses it and gets off just in time to jerk my cock a couple more times and I let loose inside the rubber sheath. That's two down and one to go. She tells me to get off the bed and go watch as she lays back on the bed and pulls Arnie down on top of her. She rubs her pussy and Arnie gets a new condom as she spreads for him.

She guides his cock into her swollen pussy and lets him fuck her which he does for a few more minutes. Lacie rolls onto her side facing us making some great fuck faces and moans and shrieks for our amusement. Her mouth is wide open going "Oh shit! Oh fuck!" as she raises her top leg so we can watch him fuck her. She rubs her pussy hard, grabs Arnie's balls and squeezes

harder. He screams and bucks his hips with his big finale as she does the same. They cum together and lay spent and exhausted on the bed. Patrick and I break out into a round of woof-woofs and applause – and they laugh.

After a short break, she taps on the bed and tells us she's ready to do us all at one time. I've never done it like this, but I'm all for it. So she gets in the middle of us and like a conductor, positions each of us where she wants us. She puts Arnie on his back, rolls a new condom on his hard-again cock and sits on it.

She tells Patrick and me to stand in front of her and she starts blowing each of us. Oh, she was good, not spending too much time on one cock and not the other. It was very obvious, she knew what she was doing and the guys knew what they were doing when they picked her. Then we switch positions when she says so none of us will feel short-changed. We're there for a couple hours doing more stuff with her and she gets us off again and herself, too. (I think she came at least four or five times.)

We get dressed, and thank her at the door as we exit into the night. We stumble to the car in the lot and we find a little bar and grab some beers as the guys ask me how it was. I said it was way too cool and she rocked. We spent a few more hours and many more beers as the night turned into day. Other than this letter and my two buds, I haven't said anything to anyone else and it felt really good to relive the experience as I wrote this.

Thanks dudes.
